State of California
STUDENT TUITION RECOVERY FUND

California law requires that, upon enrollment, a fee be assessed in relation to the cost of tuition (Education Code Section 94343). These fees support the Student Tuition Recovery Fund (STRF), a special fund established by the California Legislature to reimburse students who might otherwise experience a financial loss as a result of untimely school closure. Institutional participation is mandatory.

“You must pay the state-imposed fee for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.
3. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:
 1. You are not a California resident, or are not enrolled in a residency or
 2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.”

It is important that enrollees keep a copy of any enrollment agreement, contract, or application to document enrollment; tuition receipts or cancelled checks to document the total amount of tuition paid; and records which will show the percentage of the course which has been completed. Such records would substantiate a claim for reimbursement from the STRF which, to be considered must be filed within 60 days following school closure. For further information or instructions, contact:

THE FOLLOWING WORDING IS A REQUIREMENT OF THE BUREAU FOR PRIVATE POSTSECONDARY EDUCATION AND MUST BE INCLUDED ON THE CURRENT SCHEDULE OF STUDENT CHARGES AND COURSE CATALOG.

“The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident, or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

Montessori Accrediting Council for Teacher Education (MACTE)

MACTE is the international standard setting and accrediting body for Montessori teacher education. MACTE was granted initial recognition by the U.S. Department of Education in 1995, and this recognition extends through the year 2015. The Secretary of Education is required by law to publish a list of nationally recognized accrediting agencies that the Secretary determines to be reliable authorities as to the quality of education or training provided by the institutions of higher education and higher education programs.

MACTE is recognized by the National Council for the Accreditation of Teacher Education (NCATE) and the Teacher Education Accreditation Council (TEAC).

Montessori Center for Teacher Education has been accredited by MACTE since 1992 for Early Childhood and 1993 for EI-II.

Although Montessori Center for Teacher Education accepts adult learners from other countries who have a good command of the English language, we do not assist with the obtaining of the necessary government forms to study in the U.S.

The Courses are given in the English language. The student must have the ability to read and write English at the level of a graduate of an American high school as demonstrated by the possession of a high school diploma, GED or passage of the California high school proficiency exam. INFORMATION ON EARLY CHILDHOOD AND ELEMENTARY COURSES

1. EARLY CHILDHOOD TEACHER EDUCATION

Description of the Early Childhood Course

Academic Component:

The areas of the Montessori program: Practical Life, Sensorial, Reading, Math, and Science Subjects including Botany and Zoology, Geography, Music, and Art are presented during this phase. Adult learners are given illustrations which must be colored and printed notes which make up the Teacher Resource Manuals.

Resource Manuals must be personalized. Classroom Leadership skills, observation techniques, record keeping, lectures on Child Development, Montessori philosophy, and supervised practice are also included in this section. A minimum of 10 hours of tutorial under the direct supervision of an EC course instructor at the Montessori School House is a requirement during this section.

The adult learner completes assigned readings and written reports on principles and philosophy of Montessori education and child development. Nine observations are made in Montessori classrooms. The cost of required textbooks is included in the list of fees.

Practicum Component:

Practical application by teaching in an approved Montessori classroom under the guidance of an experienced Montessori teacher occurs during this component. The adult learner observes, assists, and participates in the classroom for a nine month period. Prior to the first monthly report, the adult learner prepares an Organizational Report in which the children and their ages, gender, and previous Montessori experience are given, along with the Montessori materials available in the classroom. Each month the adult learner prepares a monthly report on the activities taught that month, problems arising, and plans for the coming month. A member of the Administrative Staff communicates with the adult learner by reviewing the reports, writing comments, contacting the adult learner by phone or email if necessary, and returning the report timely. Reports, with additional comments, questions, and discussion, are an ongoing vehicle of support for the adult learner in the teaching position. The Field Consultant visits the adult learner at least three times during the practicum year.

The written assignments and an original Curriculum Development project are completed during the practicum, along with other assignments outlined in this section.

Evaluations are made by the adult learner, the supervising teacher, and the field consultant. A curriculum project is also developed during this component by the adult learner. Financial arrangements are arranged between the adult learner and the practicum site.

Summarization: Final Assessment

Before the adult learner graduates from this Early Childhood Course a final assessment is held during one summer week.

The adult learners who are qualified to take the Final Assessment will be sent a letter by the end of April asking them to state whether or not they will be attending this assessment.

When all requirements have been satisfactorily met, the adult learner is recommended for the AMS Credential or Associate Credential by the Program Director.

This Final Assessment is based on several factors including active participation, authentic assessment, and final written tests on Montessori philosophy and materials.

During the time of final assessment, participants will be responsible for the following:

- * 1. Presentation of assigned materials to “students” in simulated classroom situations. All participants will critique and evaluate the presentations.
- *2. A 20 minute minimum (30 minute maximum), oral summary of the practicum year using examples of adult learners’ work, insights gained, work with “special needs” children, Human Values/Peace lessons, and general description of the year’s experience.
- *3. A 10-minute report on the Year’s Research/Curriculum Development Project. Examples of children’s work and photographs may be used.
- *4. A 5-minute report on the conference, seminar, or workshop attended during the practicum year
- 5. A description of two local resources/centers available in the adult learner’s community that were visited prior to the practicum year.
- 6. A 4 hour written test on Montessori materials/philosophy.
- *7. On display for sharing will be:
 - a. Teacher Resource Manuals
 - b. Curriculum Development Project
 - c. Practicum materials
 - d. Community Resource File
- 8. Summarizing practicum evaluations completed by the adult learner and other contacts as appropriate.

*** To participate in the Final Assessment all of the above items that are starred are considered “Sharing Assignments” and must be completed before the start of this Final Assessment.**

If the adult learner has NOT completed all starred items, then the individual is moved to a following year’s cohort and will not be able to graduate that summer.

The final written exams, however, may still be taken.

The final activity of the Assessment will be an Exit Interview held with each adult learner and the Program Director Assistant Director, and Field Consultant to review and discuss the readiness of the candidate to be recommended for an AMS Early Childhood Credential. At that time the Summarizing Practicum evaluations done by the adult learner and others will be reviewed.

Objectives

1. To discuss with the Final Authentic Assessment Cohort their practicum experience.
2. To demonstrate competency in the presentation of the Montessori materials.
3. To demonstrate competency in Montessori principles, philosophy and child development.
4. To verify completion of the Teacher Resource Manuals required by the Teacher Education Course.
5. To present the Curriculum Development project to the participants.
6. To share with the course instructors and cohort in the authentic assessment of their practicum experiences.

This evaluation is based on several factors including authentic assessment and a final written test on Montessori philosophy and materials.

GENERAL INFORMATION

Once 40 hours of the academic component have been completed the adult learner may apply for entrance into the Early Childhood Credential Program and begin the Practicum Component.

Adult learners will be considered enrolled in the AMS full Early Childhood Teacher Education Program leading to a Montessori Credential when they are admitted to the Early Childhood Credential Program.

Students will be admitted to the practicum upon:

1. Satisfactory completion of the Academic Component.
2. Verification of High School and/or College diploma or equivalent with a transcript from a regionally accredited college or university;

II. ELEMENTARY TEACHER EDUCATION

Description of the Elementary Courses

E I (6-9)

Prerequisite: Early Childhood Credential from an AMS, NCME or an approved Early Childhood Montessori Teacher Education Program or the 40 hour Early Childhood

Overview. *

* **Cost for the Overview is not included in the tuition fees for the Elementary Teacher Education Course.**

It is required that that the adult learner must have 60 units of college credit in order to take the academic component for credential credit. A bachelor's degree is required to be admitted to the credential component (practicum and final assessment.) If the adult learner does not have 60 units of college credit, s/he may attend the academic component as an audit adult learner wishing information only.

Academic Component: Eight Weeks Elementary Workshop for ages 6-9 (346 hours).

Montessori materials used in the Elementary Program for ages 6-9 are presented during the component. Subjects covered:

History	Practical Life	Philosophy & Principles
Botany	Art	Classroom Leadership
Zoology	Music	Evaluative Measures
Geography	Physical Education	Material Making
Language	Computer	Administration
Math		Diversity
Geometry		Reporting to Parents

Notes on the presentations will be distributed to the participants. These printed notes, along with personal notes and illustrations adult learners may wish to include, will constitute the adult learner's Teacher Resource Manuals. The Resource Manuals are to be personalized by the adult learner.

Much of the Elementary materials must be teacher-made, so some time will be spent on making materials during each daily session. Many paper materials (such as illustrations for charts, time lines, classified nomenclatures, drawings and labels) will be distributed at no additional charge.

Workshop sessions are held from 8:30-5:00 daily. Some weekday practice and Saturday sessions will be required.

During the 6-9 Course, materials and philosophy covered in the Early Childhood Montessori Course will not be repeated, except as they apply to the 6-9 Course.

Practicum:

The adult learner secures him/her an internship in an approved Montessori elementary school in which the theory and practice of Montessori education come together. Prior to the first monthly report, the adult learner prepares an Organizational Report in which the children and their ages, sex, and previous Montessori experience are given, along with the Montessori materials available in the classroom. Each month the adult learner prepares a monthly report on the activities taught that month, problems arising, and plans for the coming month. An Administrative Staff member communicates with the adult learner by reviewing the reports, writing comments, contacting the adult learner by phone or email if necessary, and returning the report timely. Reports, with additional comments, questions, and discussion, are an ongoing vehicle of support for the adult learner in the teaching position. The Field Consultant visits the adult learner at least three times during the year.

The written assignments and an original Curriculum Development project are completed during the practicum, along with other assignments outlined in this section.

The practicum may be completed in one year in its entirety after the Academic Components for A (for ages 6-7) and B (for ages 8-9) are completed, or the practicum may be completed in two years if A is taken one summer and B is taken the following summer.

The practicum may be started by an eligible candidate who has completed Academic Component A (for ages 6-7), the first four weeks of the summer program. In this case, the adult learner will complete half-reports for the nine-month period. The lessons being reported must be with the curriculum for the 6-7 year old.

The practicum with 8-9 year olds (or 6-9 year olds) may be started upon completion of Academic Component B.

Arrangements may be made for the practicum to be done at the 6-9 or 9-12 level if the adult learner has attended the full 6-12 courses of study.

Final Assessment:

Before the adult learner graduates from this E I Course a final assessment is held during the summer.

1. Adult learners who have completed at least 60% of their practicum by April 1 are eligible to register for the Final Assessment. They will be sent a letter by the beginning of April asking them to state whether or not they intend to attend during the upcoming summer.
2. The Final Assessment is always held in even years.
3. A minimum of five adult learners is required in order to hold the Final Assessment in odd years.
4. Lesson presentations will be assigned to participants during the Final Assessment.
5. Depending on the number of adult learners in the Final Assessment cohort, 5-7 days will be required to complete the Final Assessment.
6. Adult learners will receive the results of their written exams by August 31.
7. After the adult learner has successfully completed all requirements of the Teacher Education Program and all financial obligations have been met, the recommendation for the credential will be sent to the AMS office by the Program Director.
8. The request for the AMS EI Credential will be sent to the AMS office along with the adult learner's original transcripts. The credential is signed by the AMS President, then mailed to the teacher education program for the director's signature. The program then mails the credential to the graduate. This process may take some time, so if immediate confirmation of course completion is needed, the program will write a letter of completion, if requested.

Objectives

1. To demonstrate competency in the presentation of the Montessori materials.
2. To demonstrate competency in Montessori principles and philosophy.
3. To verify completion of the Teacher Resource Manuals required by the teacher education course.
4. To present the Curriculum Development project to the participants.
5. To share with the course instructors and cohort the authentic assessment of their practicum experience.

This Final Assessment is based on several factors including active participation, authentic assessment, and final written tests on Montessori philosophy and materials.

During this time of final assessment, participants will be responsible for the following:

- * 1. Presentation of assigned materials to “students” in simulated classroom situations. All participants will critique and evaluate the presentations.
- *2. A 20 minute minimum (30 minute maximum), oral summary of the practicum year using examples of adult learners’ work, insights gained, work with “special needs” children, Human Values/Peace lessons, and general description of the year’s experience.
- *3. A 10-minute report on the Year’s Research/Curriculum Development Project. Examples of children’s work and photographs may be used.
- *4. A 5-minute report on the conference, seminar, or workshop attended during the practicum year. A written report must be submitted at this time as part of the Competency Portfolio.
- 5. A description of the three local resources/centers available in the adult learner’s community that were visited during the practicum year.
- 6. Presentation/Discussion of observations made in Elementary classroom.
- 7. A 4 hour written test on Montessori Elementary philosophy.

- 10. Summarizing practicum evaluations completed by the adult learner and other contacts as appropriate.

*** To participate in the Final Assessment all of the above items that are starred are considered “Sharing Assignments” and must be completed before the start of this Final Assessment.**

If the adult learner has NOT completed all starred items, then the individual is moved to a following year’s cohort and will not be able to graduate that summer. The final written exams, however, may still be taken.

The final activity of the Assessment will be an Exit Interview held with each adult learner and the Program Director, Assistant Director or Elementary EI Consultant, and Field Consultant to review and discuss the readiness of the candidate to be recommended for an AMS Elementary I Credential. At that time the Summarizing Practicum evaluations done by the adult learner and others will be reviewed.

Make-up work must be arranged by the adult learner with the instructor.

TIME LIMIT

Students are expected to complete all course requirements, academic, practicum, and financial, within 3 years following the program's official end of the academic phase for which the adult learner was enrolled. This period can be extended with the approval of the Program Director.

In the event the course work must be extended beyond the 3 years following the end of the academic phase, the following steps must be taken:

- a. The adult learner must discuss the situation with the Program Director.
- b. If the Program Director determines the potential for a reasonable cause for extension, the adult learner must state the following in writing:
 - 1.. finish date of the academic component of course
 2. date of required extension
 3. reason for extension
- c. In any case an extension will not be granted beyond a total of 5 years without further course work and fees to be determined.

The practicum must begin within two years after the end of the academic phase. If the adult learner extends his/her course work beyond the three years following the end of the academic session then the adult learner must be a

current member of AMS in order to be recommended for an AMS Credential.

LEAVE OF ABSENCE

In case of illness, family changes such as birth of a child or relocation, or other reasonably serious situation occurring, an extension may be granted. In any case, after 5 years from the last date of the academic component, if the adult learner has not completed the course, parts of it will need to be retaken and additional fees will be charged.

PROGRESS RECORD AND GRADING

All assignments must be completed with a "satisfactory" or "excellent" grade. Any unsatisfactory assignments must be re-done until a "satisfactory" grade is earned.

Major tests are graded with a point system. 70-100 is passing. Any test with a score below 70 must be retaken and passed before the Credential will be recommended.

A grading sheet indicating scores are mailed to the adult learner within 30 days of taking the Final Assessment.

RETENTION /DISMISSAL POLICY

The adult learners are expected to conduct themselves with dignity and respect for faculty and staff of Montessori Center for Teacher Education, supervising teachers, administrators and other staff at their practicum sites. They are also to be aware at all times that it is a privilege to be working with children and are to treat the children and individuals who allow them this privilege with great respect. Improper social conduct will be considered evidence of unsuitability to be a Montessori teacher and will therefore be grounds for dismissal.

It is the policy of this Institution to assist the adult learner having difficulties whenever possible. However, there may be times when an adult learner elects not to follow the principles of the program. If an adult learner is having continuous, unresolved problems, the Program Director will send a letter to the adult learner notifying him/her of the problem and a time limit for remediation of the problem. If the adult learner does not comply with the instructions in the letter during the time allotted, the adult learner will be asked to withdraw from the program

Grounds for dismissal include but are not limited to:

1. Excess of 10% unexcused absences during the academic workshop or during the practicum teaching year.
2. Failure to complete assigned projects and assignments when due.
3. Continuous unsatisfactory progress towards the objectives of the course as evaluated by the administration.

PROBATION: Steps before Dismissal

1. Regular evaluation will be given regarding performance to assure compliance is satisfactory.
2. A plan of correction will be stated and discussed verbally and in writing with adult learner when performance is not satisfactory.
3. The adult learner has 30 days to comply.
4. If the adult learner fails to comply, the adult learner is subject to being dropped.
5. All reasonable avenues of aid will be suggested to help the adult learner to complete the course, i.e., professional psychological counseling, career counseling, medical physical exam, etc.

IMMEDIATE DISMISSAL POLICY

At the discretion of the Program Director, an adult learner may be dismissed for serious or repeated incident of an intoxicated or drugged state of behavior or any other stated or determined infraction of conduct.

Reasons for immediate dismissal:

1. Drinking on job
2. Using illegal drugs
3. Abusing a child
4. Leaving a child or class unsupervised
5. Falling asleep during work hours
6. Quitting internship without approval
7. Engaging in malicious gossip
8. Excessive tardies and absences (over 10% of a 20 day school month)
9. Insubordination

PLACEMENT ASSISTANCE AND SALARIES

Known vacancies in the field will be posted on the bulletin board and announced in the training classes. Many schools contact the Center for prospective teachers. While the school will provide placement assistance, **no guarantee for employment or salary can be made.**

THE AMS CREDENTIAL

Early Childhood:

The adult learner will be recommended to AMS for an EC Credential when all assignments, tests, and practicum have been completed in a satisfactory manner, and all financial obligations have been met.

A full Credential will be given to adult learners who have a bachelor's degree from a regionally accredited college/university or equivalent. An Associate Credential will be given to adult learners who do not have a bachelor's degree. Upon receipt of verification of a bachelor's degree, the adult learner may upgrade the Associates Credential for a full Credential. Adult learners must have a current AMS membership.

Information for this upgrade procedure is available on the AMS website. www.amshq.org

Elementary:

The adult learner will be recommended to AMS for an EI or EI-II Credential when all assignments, tests, practicum have been completed in a satisfactory manner, and all financial obligations have been met. Adult learners must possess a bachelor's degree from a regionally accredited college/university or equivalent in order to receive the Elementary Credential.

Those adult learners receiving a credential on July 1, 2013 or later will need to document 50 hours of professional development every 5 years; the first 5-year period begins with the date of credential.

Adult learners must have a current AMS membership to receive the AMS Credential.

PREVIOUS EDUCATION

Upon enrollment, the adult learner will be asked to list any previous education in the area for which he/she is enrolling. If it is recent enough, sufficiently thorough and relevant, received from an accredited/ qualified program, and can be demonstrated as to satisfactory proficiency, appropriate credit may be allowed at the discretion of the Program Director. The course length may be shortened and the fees may be proportioned.

Prerequisites for the Early Childhood Credential:

Full Credential: a bachelor's degree from a regionally accredited college/university or equivalent.

Associate Credential: High School Diploma or equivalent; passing the Wonderlic Personnel Test

Prerequisites for Elementary Credential:

1. A bachelor's degree from a regionally accredited college/university or equivalent.
2. Early Childhood Montessori Education (for ages 2 ½ -6).

Transcripts from Universities Outside the United States

Students who have received their college degree from institutions outside the United States must have their transcript evaluated for US equivalency. The organization that many AMS teacher education programs use is the World Education Services. The web site for this organization is www.wes.org. The web site will provide all the information needed to begin the evaluation. Once complete, the WES documentation along with official college transcripts are sent to the adult learner's teacher education program.

EARLY CHILDHOOD If the adult learner's work is equivalent to that of a college/university in the United States, the Full AMS Early Childhood Credential will be received upon successful completion of all requirements of the teacher education program. If an adult learner's work is officially determined to not be the equivalent to a U.S. bachelor's degree from a regionally accredited college/university, but still meets the nationally recognized post-secondary educational standard in the state, province, or country of issuance, an Associate AMS Early Childhood Credential will be given. This credential will state the degree earned and the name of the country in which the degree was earned. The official transcript equivalency evaluation is to be submitted to the AMS Office of Teacher Education by the TEP director in lieu of the non-U.S. transcript. The adult learner's major does not impact either Credential.

Graduates receiving an Associate Credential may, upon completion of a four-year degree, request the Associate Credential to be changed to a Full Credential. This is done by providing documentation of receipt of the 4-year college degree. There is a nominal AMS fee for this credential upgrade.

Early Childhood graduates without a four-year college degree from an accredited college/university, are strongly urged to continue their education toward receiving a college degree from an accredited college/university preferably within the seven years following receipt of their AMS Montessori Associate Credential.

ELEMENTARY I AND I-II: Transcripts received from institutions outside the United States may be handled as described above. An Elementary course student may not receive an AMS Elementary Credential until he/she has a four-year degree either from a regionally accredited college or university or with a non-United States degree the transcript of which equates to that of a regionally accredited United States college or university. All graduates must possess the equivalent of a bachelors degree from a United States recognized accredited college or university. The adult learner's file and record of completion are kept by the teacher education program. If subsequently the adult learner receives a college degree, the AMS Elementary credential may be obtained upon submission of documentation.
